

Friday 4th May 2018

Dear Parents, Pupils and Carers,

This week was an opportunity to meet the Head Teacher, Ms Ashton, with Parent welcome meetings on both sites. Thank you to all parents who attended and contributed ideas on how to further develop our school. The main theme emerging is that parents are passionate and serious about their child's education and want improved communication, better teaching and a creative, broad and stimulating curriculum. All parent contributions will be distilled into a book to be shared at the next Parent meeting in June.

Thank you to Year 4 Parents who attended a Gordon Brown information meeting on Wednesday. This was a compulsory meeting for parents who signed up for their child to attend the Gordon Brown residential trip from Monday 14th May. All medical slips and agreement slips must be returned to school by Tuesday 8th May. No pupils can attend the trip without completion of these documents. An equipment list was also provided. It is important that parents provide their child with the items on the list. Please contact the school office if you have any questions about the trip.

The Year 6 Standard Assessment Tests will take place from May 14th. Thank you to all Year 6 Parents who attended the meeting, asked questions, had the opportunity to see examples of the test and gain an understanding of what the pupils will be experiencing. Regular bedtime routines, daily reading, exercise, balanced diet and drinking at least 1 litre of water each day, were some of the good suggestions of how to support your child. During SATs week, a free breakfast will be provided for Year 6 pupils from 08:00 Monday to Thursday.

This evening after school the PTA cinema event will be 'Boss Baby.' This activity will be from 4 to 5:45pm. Please ensure that your child is collected promptly at 5:45pm.

This is a bank holiday weekend, so school will reopen on Tuesday 8th May. On behalf of the staff and governing body, I wish you a safe and happy long weekend.

Ms Ashton
Executive Head
