

Leopold Primary School

SUMMER TERM – R.E

Early Years

This term our focus for religious education is 'Myself And Others'. We would like you to:

- Create a picture of yourself and your family or friends. You could use colour pencils, paint, tissue paper or card.
- You might even try to create a 3D model of yourself.
- Can you write a few sentences to go with your picture?

Year One

This term our focus for religious education is 'Caring For Each Other'. We would like you to:

- Create a poster to display on your window, showing others how to be kind and care for others.
- Write an acrostic poem about caring for others using the letters C, A, R, E to begin each line.
- Find out about the ways people care for others in different religions.

Year Two

This term our focus for religious education is 'Water'. We would like you to

- Create a poster showing the importance of water in baptisms.
- Draw a picture or create a model of The River Ganges. Why is it important in Hinduism?
- Find out about the importance of water in different religions. You could make a book to share with your family.

Year Three

This term our focus for religious education are 'Pilgrimages'. We would like you to:

- Create a 3D model of Mecca (you could use Lego). Why is this an important pilgrimage for Muslims?
- Find out about the different pilgrimages religious people go on. Choose one to research. Create a map of where they visit and include details about the different things they do and why.
- Make a leaflet advertising a pilgrimage of your choice. Be as creative as you like!

Year Four

This term our focus for religious education is 'Places Of Worship'. We would like you to:

- Create a 3D model of a place of worship of your choice using materials you have at home.
- Create a piece of geometric art to express the beauty of Islam.
- Imagine that you are an alien on a mission to find out about life on earth. Your spaceship lands near a large building (place of worship of your choice). Using your x-ray vision you look through the wall. What do you think is happening? What can you see?

Year Five

This term our focus for religious education is 'People Of Faith'. We would like you to:

- Make a collage of quotes from the Dalai Lama - which ones do you agree/ disagree with? Why?
- Find out about Malala Yousafzai's life. Create a story board of her life.
- Think about what inspires you. It could be people, books, quotes, religion... Create a poster of inspiration.

Year Six

This term our focus for religious education is 'Community'. We would like you to:

- Make a poster to display the different religious groups found in your community. Include their symbols.
- Create a poster to explain community cohesion and promote its importance in achieving peace.
- One way of promoting cohesion within communities is the promotion of fairer global food system. Investigate Fairtrade products and the difference Fairtrade makes to lives around the world. Can you find any fair trade products in your home?

Please remember to ask and adult for help and use a safer search engine when doing research online.
