

Year 3 - Architecture - Week 1

Answer the following four questions about Hundertwasser's work, looking at the images on the slides to help you. There are no right or wrong answers, I am only interested in your opinions and descriptions of his buildings and paintings.

1. Describe the colours and patterns you can see in Hundertwasser's paintings.
2. What similarities can you see between Hundertwasser's paintings and the buildings he designed?
3. How do Hundertwasser's buildings differ from buildings you might see around London?
4. Do you like his work? Why?

Now create a copy of one of Hundertwasser's buildings from the slides. Draw the outline with pencil first, and then add colour with coloured pencils or felt tips. Try to include lots of detail. Send me a photo if possible!
