Wednesday 15th December 2020

Dear Parent/Carers,

Safeguarding

It has been reported to the school today that on Tuesday 15th December, at approximately 3:25pm, a black male approached two pupils from Leopold Primary School, Gwenneth Rickus site, outside school grounds. The school was unaware of this incident until this morning that led to a day's delay in acting upon the information.

The incident has now been reported to the London Metropolitan Police and there is an ongoing investigation.

If any incident occurs outside school grounds, it is imperative that it is reported to the police immediately. This must happen to ensure that the police can respond quickly and safeguard the whole school community. Therefore, parents must report to the police directly to avoid any delay to an investigation.

Together we can continue to keep our school community safe.

Kind regards,

Mrs Obinwanne

Head of School GR
