

Mathematics

Enrichment

At Leopold Primary School, we enhance our maths curriculum in a variety of fun and engaging ways offer children many interactive ways of engaging with maths on our different platforms. This includes mathletics that offers children support in class and at home, as well as fun and engaging games where they can sharpen their mathematical fluency!

Leopold Primary School has subscribed to excellent programs to enhance maths for our pupils including Purple Mash, Mathletics and online resources like NRICH.

The pupils Leopold Primary school use our innovative technology to support for in times tables which the school runs competitions every month to see which class has the best times table skills.
