

## Science Long Term Plan 22-23

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	Animals including Humans	Habitats	Movement and Feeding	Electricity	Life Cycles	Light and Sight
Autumn 2	Identifying Materials	Living Things	Light and Shadows	Dangers to Living Things	Earth and Space	Our Bodies
Spring 1	Comparing Materials	Uses of Materials	Rocks and Soils	Human Nutrition	Materials	Classifying Living Things
Spring 2	Plants	Growing Plants	What plants need	Sound	Separating Mixtures	Changing Circuits
Summer 1	Types of Animals	Changing Shape	Parts of Plants	Grouping Living Things	Types of Change	Evolution and Inheritance
Summer 2	Seasonal Changes	Feeding and Exercise	Magnets and Forces	Changes of State	Forces	Review and celebration
