

## MATHS

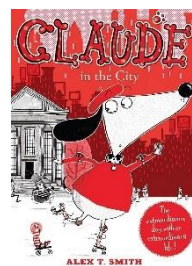

### Place value and number

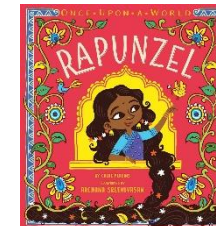

Over the half term in Maths we will be covering place value and number. The children will be building on existing knowledge of counting forwards and backwards, to and through 100. They will continue to practise counting in 2s, 5s and 10s. They will be recognising numbers in numerals and words and representing numbers in various abstract and pictorial ways. We will be comparing and ordering numbers and beginning to explain our reasoning for an answer.

## ENGLISH

### Claude in the City and Rapunzel

This half term in English we will be studying 'Claude in the city'. The children will develop their oracy skills through Talk for Writing lessons, along with grammar input. They will use the skills they have learned to write a letter, newspaper report and informative text based on the book.

In the latter part of the half term, we will be studying 'Rapunzel'. They will continue to develop their oracy skills through Talk for Writing. Their writing skills will be developed through creating a narrative story and instructions.

## HISTORY

### My Beginning, My Belonging and My Britain

Children will be explaining their ethnic heritage and locating it on a world map. They will be exploring why families move to the UK and understand British values. Additionally, they will be to identifying similarities and differences within their peer group's ethnicity and reasons for migrating.

## RSE

### My community

This half term Y2 will be covering topics about how to allow people to feel welcome, respecting others feelings and how to work well with others.

## Art and DT

### Yinka Shonibare

Children will develop skills, such as: drawing and techniques in using colour, pattern, texture, line, shape, form and space within the context of self-portraits.

## PE

### Rugby

We will be working on mastering basic movements, gain confidence and participate in group activities/games. Our PE day is Tuesday.

## RE

### Symbols across religions

Over this half term, Year 2 will be looking at and identifying different symbols across many religions. Including what they show, drawing symbols and writing what they mean.

## MUSIC
