

English Enrichment

At Leopold Primary School, we enhance our English curriculum in a variety of fun and engaging ways. We provide experiences that allow children to immerse themselves in literature and develop their love of reading. Examples include annual celebrations such as World Book Day, watching performances of stories by drama companies and meeting famous, inspiring Authors.

We have recently relaunched our library so that it is an engaging, inviting and comfortable space where our pupils can discover and develop the pleasure of reading!

We are a Voice 21 school and learn through oracy. This is when children develop and deepen their subject knowledge and understanding through talk in the classroom, which has been planned, designed, modelled, scaffolded and structured to enable them to learn the skills needed to speak effectively.
