

Maths Long-term overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Maths	Y1- Place Value Number	Y1 – Calculation: Four operations	Y1- Calculations: Four operations and Geometry	Y1 - Place value and Calculation	Y1- Calculation: Fractions and Measurement	Y1 – Measurement And Geometry
Maths no problem	Y2-Place value –	Y2- Calculation: Four operations	Y2- Calculation: Four operations Measurement: Money	Y2- Geometry: Properties of Shape - Fractions	Y2- Measurement: Time	Y2- Place Value – Calculation: Four operations
	Y3- Number – Place Value Number	Y3- Calculation: Four operations	Y3- Measurement	Y3- Measurement: Money and Time	Y3- fractions - Statistics: Picture and Bar Graphs	Y3- Geometry: Properties of Shapes - Measurement: Perimeter
	Y4- Number – Place Value	Y4- Calculation: Four operations	Y4- Calculation and Fractions	Y4- Measurement: Time Fractions: Decimals	Y4- Measurement: Money	Y4- Geometry: Position and Direction,
	Y5- Number – Place Value	Y5- Calculation: Four operations	Y5- Fractions	Y5- Fractions: Percentages	Y5- Measurement: Volume, Area and Perimeter	Y5- Measurement: Volume
	Y6-Number: Place Value	Y6- Fractions: Decimals – Measurement: measurements	Y6- Number: Percentages, Ratio and proportions	Y6- Measurement Converting units	Y6- Statistics: Graphs and averages	Y6- Geometry: Position and Direction
