

RSE

Enrichment

At Leopold Primary School, we enhance our RSE curriculum in a variety of enjoyable and attractive ways. Our RSE lessons are designed to provide structured opportunities to practice and enhance the five skills associated with the emotional literacy (self-awareness, social skills, empathy, motivation and managing feelings).

Leopold Primary School has purchased Jigsaw PSHE, an Educational scheme of work, with a whole school approach, and all year groups are working on the same theme at the same time.

Jigsaw has as main aims for all children to build their capacity for learning and to equip them for life. RSE lessons are delivered once a week in each class. The children join in in circle time activities and mindfulness training, they play inclusive, thought-provoking games and undertake tasks in small groups or in pairs. We use Jigsaw characters (each have their own name) and energy chimes to encourage focus and confidence to speak to an audience.

Our students enjoys using the Jigsaw characters to give them the confidence they need when speaking out in front of an audience.
