# Curriculum Overview

# Autumn Term 2

MATHS		History	Geography	
<p><b>Place values and the four operations</b></p> <p>Children are learning about numbers up to 1,000. They are looking at place values and learning to partition, compare and order numbers within 1,000. Children are consolidating their knowledge of the four main operations (adding, subtracting, multiplying and dividing) with numbers up to 1,000.</p> 		<p><b>Ancient Sumer</b></p> <p>This term children will be learning about the Ancient Sumer Civilisation. We'll be looking at lifestyle, art and writing of the ancient Sumerians. We will also look at cradles of civilisation and similarities between civilisations.</p> 	<p><b>Mountains</b></p> <p>This term we will be learning about mountains. The children will explore both mountains in the UK and the Andes. They will be able to explain the difference between a hill and a mountain.</p> 	
ENGLISH		RSE	Art and DT	PE
 <p><b>Stone Age Boy</b> by Satoshi Kitamura</p>  <p><b>The pebble in my pocket</b> by Meredith Hooper</p> <p>Children will be using the stories of the books above to write for different purposes. This half term they are writing instructions, character descriptions, diary entries, a newspaper report as well as narratives.</p>		<p><b>Caring friendships and Responsibilities</b></p> <p>As part of their RSE learning this term, children will be identifying positive things about themselves and others, they'll be exploring how they can make their school community a better place and why are rules important to have in school.</p> 	<p><b>Prehistoric Art</b></p> <p>In Art this term, our focus is Prehistoric Art. Children will draw sketches of native British animals, create paint using natural ingredients, experiment with textures as well as use their hands to create artwork that resembles cave wall paintings.</p> 	<p><b>PE day: Tuesday</b></p> <p><b>Football</b></p> <p>This term, children will be exploring invasion games. This includes keeping control of the ball, changing direction and stopping the ball.</p> 
COMPUTING	RE	SPANISH	SCIENCE	
<p><b>Online Safety</b></p> <p>This term in Computing, we are focusing on online safety. Children will be learning about online dangers and how can they stay safe from them.</p> 	<p><b>What makes a building sacred?</b></p> <p>This term in RE, children will be learning about places of worship in Christianity, Islam, Hinduism and the Jewish religion. They'll exploring the concept of worship and its impact on believers.</p> 	<p><b>Meet and greet</b></p> <p>In Spanish this term, children will be learning how to introduce themselves to others and say simple greeting according to the time of the day.</p> 	<p><b>Light and Shadow</b></p> <p>In this unit of study, children will carry out investigations and work scientifically to learn about how light travels, reflected light and how shadows are formed.</p>
