

PE Enrichment

At Leopold Primary School, we enhance our PE curriculum in a variety of fun and engaging ways. Students have the chance to compete in interschool activities including football, basketball, dance, multisport, and athletic tournaments.

Leopold Primary School also provides students with swimming lessons to be completed at Wilsden Sports Centre by trained swimming professionals.

Lunchtime sport clubs are run at Leopold everyday, encouraging students to try new games and challenge themselves with different experiences

The pupils at Leopold Primary have a whole school sports day at Gibbons Park, where all parents are encouraged to come to watch their children compete against each other

Each term we have a PE dedicated enrichment day, focusing on being as physically active as possible, and the benefits of doing this for young children.
