HELP US TO ENHANCE OUR BOOK SELECTION AND TO PROMOTE A LOVE FOR READING!

We are dedicated to improving the book selection in both our classrooms and libraries, with the aim of fostering a genuine passion for reading among our students. To support this initiative, we have applied for a cash boost from the Tesco Community Grants program. In collaboration with the community charity Groundwork, Tesco offers grants ranging from £500 to £1,500 to local community projects.

We are thrilled to announce that we have been shortlisted as one of the top three groups in our community to receive this cash award. Now, we need your support! We kindly request you to visit Tesco stores and cast your vote in favor of our project. By voting for us, you can help us secure the top grant, allowing us to enhance our book selection and further promote reading for pleasure.

Join us in our mission to create an inspiring reading environment for our students. Your vote truly matters and can make a significant difference in our efforts to cultivate a love for reading among young minds.
