Executive Headteacher: Miss Rachel Mollett

3<sup>rd</sup> October 2023

Dear Parents/Carers,

I wanted to write to you personally and thank you all for your engagement last week at the various parent events. Over the course of the week, I have spoken to approximately 150 parents and had some very interesting discussions about things that are working well and areas in which we could improve.

The key successes reported by parents have been Instagram, if you don't follow us please start @leopold20212, regular text messages to remind parents about key events, curriculum improvements including STEM based learning and trips. Parents were also pleased with the improved attainment and increased counselling. Some useful ideas have been pointed out that we will be working on this half term.

### **Calendar**

We will be providing all parents with a calendar on the website starting in November. This is intended to help parents to have advanced warning of key events. The process will be a text message followed by a calendar update.

### **Homework books**

We will be re-introducing CGP homework books as an additional piece of homework following parents' requests.

### **Communication**

We are moving it to teachers emails rather than the admin email as lots of parents have raised concerns about the slow response times using the admin emails.

I would like to thank you once again for engaging with me so well, and I look forward to meeting with you all again next term. As you know I am on the gate every morning and afternoon with my senior leaders so please don't hesitate to come and speak to us about any concerns you may have.

**Miss Mollett**  
**Executive Headteacher**  
**on Behalf of Leopold Primary School**
