Hawkshead School

Dear Parents

As we come to the end of the academic year I am writing to you to update you on arrangements for September.

I would like to start by thanking the staff, children and parents for all their hard work this year. We have had a year of successful parent events, for example 'read with your child', workshops and a Summer fair. Thank you to everybody who supports the school and attends our events.

The staff and children have been working very hard and progress and attainment is continuing to improve. We had a very successful Challenge Partners review, where we were leading in all subjects. Our results have significantly increased, the Early Years, Y1 phonics are the highest on record and well above national. KS2 results for are well above national for writing, maths and combined and reading is in line with national.

Attendance has improved over the year at 96%, which is well above national. Behaviour has significantly improved; this has been achieved through behaviour training for staff, playground zoning and behaviour mentors.

As always at the end of every year we say good bye to some staff and welcome new staff members. Sadly, we say goodbye to: - Miss Cucciniello, Ms De la Cruz, Ms Lee, Miss Seymour and Miss Mollett.

We wish them the best of luck. Please find below the classes for next academic year. Tomorrow, all children have spent the afternoon with their new teachers in their new classroom.

Please see below the staffing structure for September 2024;
