COVID Guidance in Schools

We will continue with our staggered starts until the end of term to ensure that we are all kept safe. Please continue to be vigilant and follow the guidelines. Arrangements for September will be shared next week.

School finishes on Friday 23rd at 1.30pm. Please ensure that you collect your children and their belongings for the end of term.

Class Parties will be held on Wednesday 21st in the afternoon. The children **can wear their own clothes to school**, party themed. Let them enjoy their final few days after this year. The children can bring in snacks to share in their classes and will take part in some party games. Please liaise with the class teachers.

BMS Singing Festival Now Live

In what has been a very challenging year for everybody, what a treat it has been to

watch you all singing so enthusiastically and also to learn a little more about each of your individual singing groups. We have been delighted by the breadth of repertoire and it has been lovely to hear some solo singing too.

We hope it has brought you all some happiness and joy to participate in this singing event; we feel sure that you will enjoy watching each other's performances and we can't wait to hear more of your singing efforts next year. Use this link to watch the

History

Today is St **Swithin's Day** - He was an Anglo-Saxon Bishop and the story goes, that if it rains today it will rain for 40 days and if it is sunny it will be sunny for 40 days (let's hope it is true - look at the blue sky!)

The old poem goes like this...

"St Swithin's Day, if it does rain

Full forty days, it will remain

St Swithin's Day, if it be fair

For forty days, t'will rain no more"

It will be featured on Newsround so please ensure that you tune in to watch it with the children.

WINDRUSH

<https://www.bbc.com/news/uk-england-london-57827941>

There is a monument for Windrush being erected at Waterloo - whilst a committee will make the final decision the public can vote. If you wanted to look at them with your children and cast a vote the link is above.

Year 4 created a history topic which investigated the Windrush generation and the NHS as their history is intertwined. This will be a Year 4 topic in AUT 1 for future academic years. David Olusoga has done a documentary on this topic which is coming out on the BBC this year. Definitely worth a watch and perhaps we gave him the inspiration!!!! :)

Reminder: Music Lessons at Leopold

At Leopold, we are very pleased to be able to offer small group and 1-1 lessons on a variety of different musical instruments with our visiting music tutors from Brent Music Service (BMS). There will be a choice of: drums, guitars, violin, keyboard, cello and piano (individual & pairs). This is offered to Year 2 -6.

Please return your interest form by **Friday 16th July 2021**. The school will contact you if your child has been allocated a place by **Friday 23rd July 2021**. You will not be allocated a place should you have any outstanding debts on ParentPay. Payment must be made on ParentPay by **Monday 6th September 2021** to confirm your place.

COVID -19 Updates

The Government has announced more details about step 4, the final stage of the roadmap, which is expected to start on 19 July. It is there vital that we continue to adhere to government guidance in term of good hygiene practice, mask wearing and social distancing. Please visit the following website for further information: <https://www.gov.uk/coronavirus>

Coronavirus (COVID-19)

To keep the school community safe; it is critical that families adhere to the follow guidance.

Under **no** circumstance should you send your child to school:

- If your child is symptomatic
- If someone in your household is symptomatic
- If you have been in contact with someone who has tested positive for COVID-19

Remember that if **you, your child or anyone in your household** have symptoms of COVID-19 and are awaiting the results of a test, **do not** send your children into school. Children must remain at home until the results of the test have been given.

Before making the journey into school, you must stop and ask yourself these questions, do **you, your child or anyone in your household** have a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia).

If you answer YES to any of the above, you must not come to school. You must call 111 for advice.

If your child becomes unwell during the school day they will be sent home and are advised to follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection.

This sets out that they must:

- self-isolate for at least 10 days
- arrange to have a test to see if they have coronavirus (COVID-19)

If your child has:
a high temperature
a new, continuous cough, or
a loss of, or change in, sense of
smell or taste

This could be a sign of
coronavirus

[Book a test](#)

If your child has:
a runny nose, is sneezing or
feeling unwell
But they don't have:
a high temperature
a new, continuous cough, or
a loss of, or change in,
sense of smell or taste

These are
**not normally symptoms of
coronavirus**

Seek advice from a pharmacy, dial
111 or see your GP

Yours faithfully,

Ms Harvey
