

Thursday 17th December 2020

Dear Parents and Carers,

We have come to the end of another successful term! We would like to thank you for your understanding and support during these unprecedented times. We recognise that this has been an extremely difficult time for families and staff after what has been the most challenging school year to date. We admire the children's resilience, maturity and determination in returning to school this term. We have so much to celebrate including our wonderful attendance this term, which was well above 96% weekly!

You may have heard in the news that the Government is suggesting that schools have an INSET day on Friday 18th December 2020. Leopold Primary school have decided **not to** do this, instead we will take the INSET on Tuesday 5th January 2021. This means that pupils should attend school as normal on Friday 18th December 2020. School will reopen for pupils on **Wednesday 6th January 2020.**

Christmas concert

Remember to watch the Christmas concert that will be uploaded onto the seesaw platforms by the end of this week! All of the pupils have worked extremely hard to prepare for this virtual concert! Thank you to all of the BMS tutors and the Music coordinator, Ms Dykes, for preparing this.

Breakfast and Afterschool club

In line with government guidance, pupil bubbles must be kept separate therefore it has not been possible to run Breakfast and After School Club this term. There will be **no** change to this in the New Year. We will resume Breakfast and After School Club when it is safe to do so.

Winter Reading Challenge 2020

We are one of 9 schools in Brent that have been chosen to take part in the Winter Reading challenge. The information collated by the children will help to create a snapshot of families and childhood memories/ comparisons from local family members for Brent museum. It also gives the children the chance to research and collate information as a historian would.

Each child will receive a form at the end of the term.

Younger children may need an adult to support them with completing this form.

We ask that children only complete their first names on the form and to bring this back to school with them on Wednesday 6th January 2021.

Farewell

This week we have had to say farewell to Ms Liliana, after 20 years of providing piano lessons to our pupils. We would like to thank Liliana for her commitment to the pupils of Leopold Primary School and wish her all the best for the future.

Ms Khorasani will also be leaving Year 3. We wish her the best in the future.

Nursery places

There are Nursery places available at our school. Please contact the school office or Zena Meigan our Early Years coordinator for more information. You can also see a virtual tour of our Early Years on the school website. <http://www.leopoldprimary.co.uk/early-years-tour/>

What to do if your child is displaying symptoms of coronavirus (COVID 19)

London is currently in tier 3 local restrictions. Please remember that if **you, your child or anyone in your household** have symptoms of COVID 19 and are awaiting the results of a test, **do not** send your children into school. Children must remain at home until the results of the test have been given.

Before making the journey into school, you must stop and ask yourself these questions: do **you, your child or anyone in your household** have a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia).

If you answer YES to any of the above, you must not come to school. You must call 111 for advice.

If your child becomes unwell during the school day they will be sent home and are advised to follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection.

This sets out that they must:

- self-isolate for at least 10 days
- arrange to have a test to see if they have coronavirus (COVID-19)

Please see the updated guidance for parents and carers from the DfE.
