

Thursday 4th March 2021

Dear Parents and Carers,

Leopold Primary School will reopen to all pupils on **Monday 8th March 2021**. We hope all of our pupils are excited to return to school!

Well done to all our pupils who have accessed remote learning daily! Remote learning will cease from Monday 8th March 2021, however homework will continue to be uploaded onto Seesaw.

In order to manage the risks, we will continue to implement the range of protective measures that we already have in place at the school and that we have been using throughout the autumn term. These include working in year group bubbles; staggered times for the start and end of the school day; separate dining halls for staggered lunches; and of course, good hygiene practice. All protective measures that have been taken can be found in the Covid19 risk assessment on the school website, including bubble closures in the event of a positive case.

Unfortunately, there will be no onsite breakfast clubs or after school clubs until further notice due to the restrictions with bubbles. We will write again this week with further information about the school reopening. In the meantime, please refer to the following link for the latest Covid19 updates:

Coronavirus (COVID-19)

To keep the school community safe; it is critical that families adhere to the follow guidance.

Under **no** circumstance should you send your child to school:

- If your child is symptomatic
- If someone in your household is symptomatic
- If you have been in contact with someone who has tested positive for COVID-19

Remember that if **you, your child or anyone in your household** have symptoms of COVID-19 and are awaiting the results of a test, **do not** send your children into school. Children must remain at home until the results of the test have been given.

Before making the journey into school, you must stop and ask yourself these questions, do **you, your child or anyone in your household** have a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia).

If you answer YES to any of the above, you must not come to school. You must call 111 for advice.

If your child becomes unwell during the school day they will be sent home and are advised to follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection.

This sets out that they must:

- self-isolate for at least 10 days
- arrange to have a test to see if they have coronavirus (COVID-19)

If your child has:
a high temperature
a new, continuous cough, or
a loss of, or change in, sense of
smell or taste

**This could be a sign of
coronavirus**

Book a test

If your child has:
a runny nose, is sneezing or
feeling unwell
But they don't have:
a high temperature
a new, continuous cough, or
a loss of, or change in,
sense of smell or taste

**These are
not normally symptoms of
coronavirus**

**Seek advice from a pharmacy, dial
111 or see your GP**

World Book Day

On Tuesday 2nd March 2021, David Walliams was virtually beamed into our classrooms and living rooms as the nation celebrated World Book Day!

The school will be hosting our annual 'Reading Week' in aid of World Book Day next week, Monday 1st March - Friday 5th March, primarily

to promote reading for pleasure but also to enjoy participating in some fun and engaging activities for pupils, parents and staff! Look out for further information on the remote learning platforms.

Mr Rik Parek, who is a well-known author and the illustrator of many books, including the well-loved series of 'Iguana Boy' was our virtual guest visitor for World Book Day. Children were able to watch a pre-recorded assembly, which started off with an insight into his job followed on by an illustration tutorial in hope to inspire pupils. Remind your children to upload any feedback such as such messages to Rik, or their own illustrations following the tutorial. We can't wait to view them!

Red nose day

We will be taking part in Red nose day on **Friday 19th March 2021**. Children can wear their own clothes and bring in £1 for an excellent cause. Read more about Comic Relief/Red nose day here.

Safeguarding

At Leopold Primary School, we work hard to ensure all our children are safe. The school has a duty of care to report all safeguarding concerns. On some occasions this may involve working in partnership with the Local Authority, the safer neighbourhood police and outside agencies. During these challenging times, we are acutely aware of the additional pressures that families are under and the potential risks and challenges they face. In the current situation, we felt it important to signpost families to sources of support, if they are needed. These are in addition to the many resources that we have available in-school and those that we have made available on our website during this period.

*If you believe a child is in immediate danger you should phone the police. Call **999**.*

If you have any concerns about a child being harmed or at risk of harm please contact Brent Family Front Door on **020 8937 4300** (option 1) to discuss your concern.

If you are calling outside normal office hours (9am - 5pm) please call the emergency duty team on: **020 8863 5250**.

The **NSPCC** Helpline is always available on **0808 800 5000**, if you have concerns for your own, or another child's safety. You can also report concerns to the police on their non-emergency number 101.

Attendance

As per government guidelines, school attendance is mandatory. To achieve this please ensure that your child attend live sessions or the provision daily. If your child is unwell you must inform the school office on **020 8459 5654** or send an email attendance@leopold.brent.sch.uk by 8:30am.

Feed Me Good

The school have formed a partnership with an organisation called Feed Me Good <https://www.feedmegood.co.uk/>

Its main purpose is to combat health inequality in Black and Ethnic communities by supporting individuals to improve their health & wellbeing; by increasing their aspirations; and developing sustainable life skills. The organisation will be delivering a programme over the next few weeks which will include the following:

- One-hour PSHE lessons for pupils in Year 4 and 5 for this half term (delivered remotely)
- An 8-week online programme for parents focused around cooking, sustainability, health and wellbeing topics, and employability skills training. As well this, Feed Me Good will be supporting those who are seeking employment with CV clinic sessions, focusing on developing employability skills including how best to prepare for an interview, what to expect from an interview and what happens after the interview has taken place. Please sign up at the following link if you are interested in taking part: <https://www.feedmegood.co.uk/new-programme-sign-up>

Leopold Foodbank

Road.

This will be the final week for the food bank. We would like to thank all the families who contributed to the foodbank during the lockdown.

RSE Parent Forum

Thank you to all of the parents who attended the RSE Parent Forum. The Forum addressed the changes announced by the Department for Education to relationships and sex education (RSE). These changes were meant to come into effect from September 2020. However, due to the current pandemic, schools will need to have an updated RSE curriculum by the summer term 2021.

During the Forum it was agreed that working parties would be created to specifically look at the RSE curriculum. The dates for these working parties are as follows:

Nursery & Reception on Weds 10th March 2021 at 4pm.

Year 1 & 2 on Thurs 11th March 2021 at 4pm.

Years 3 & 4 on Weds 17th March 2021 at 4pm.

Years 5 & 6 on Thurs 18th March 2021 at 4pm

If you would like to be involved in these working parties, please email adminlgr@leopold.brent.sch.uk to register your interest. Please be aware that the school is may not be able to accommodate all parents who register interest. The school will aim to have a diverse network of parents to support with the working parties.

Broadband

If any of our families require a SIM card for internet access please contact the school office and arrange to collect one. These SIM cards are only useful for children who are accessing remote learning through mobile phones and who are not connected to a WiFi network. Please note that the school only has a limited number of these.

Yours faithfully,

Mrs Obinwanne
Head of School
