

# Year 5 Summer 2020 Curriculum Overview

## MATHEMATICS

Children will be focusing on geometry, volume, area and perimeter and Roman Numerals.

## COMPUTING

Game creator, modelling and concept maps

Children will use Purple Mash to programme and create a game.

We hope that this information will give you an understanding of what your child is learning at school and we encourage your involvement.

## GEOGRAPHY

Mountains

Pupils will find out about the major mountains of the world and the UK, how mountains are formed and their features.

## ENGLISH Reading

Children will be focusing on their reading skills such as, summarizing, drawing inferences and identifying language. Our power of reading texts are The Adventures of Odysseus and Shackleton's Journey.

## Writing

Children will plan, write and edit their own letters, playscripts, diary entries and setting descriptions based on the class reader.

# YEAR 5 Summer Term 2020 The Greeks

## Music

African Drums with music's cool

## PSHE

### Relationships

Pupils learn how to solve problems in their relationships with friends, how to respect and treat others. Pupils will be learning about how everyone is unique and how we respect the changes we see in ourselves and others.

## SCIENCE

### Living Things and their Habitats

Pupils will be taught to describe the changes as humans develop to old age.

### Animals, including Humans

Children will describe the differences in the life cycle of a mammal, an amphibian, an insect and a bird.

## RE

### People of Faith

Children will be looking at different people of faith who have made important contributions to society.

## PHYSICAL EDUCATION

Pupils will be learning and developing their athletic abilities.

## Design and Technology

Children will be making biscuits in DT. They will learn about the importance of food hygiene before making their final product.

## Art

Children will be learning about various artists and their noted works on Landscapes such as Turner, Matisse, Van Gogh and Monet.

### How can parents help

As we continue our home learning routines with the school closed until further notice, please ensure your child has a quiet space to sit at and time allocated to do some of his/her assigned work. We will be continually uploading additional tasks linked to our termly curriculum so check the sites listed below daily. Contact with teachers can be done through Class Dojo (<https://www.classdojo.com/en-gb/>). Do not hesitate to reach out at any time for support with any home learning activities. We are here to help!
