

Curriculum Overview – Autumn 2021

This information will give you an understanding of what your child is learning at school and we encourage your ongoing involvement.

MATHEMATICS

Area of Focus - Number and Place value: numbers to 1,000, addition, subtraction, multiplication and division, estimating, money and length

History

Area of focus – Empire Windrush and the need for immigration to rebuild Britain after WWII.

Year focus country - Trinidad and Tobago.

BHM – focus migration and employment (Transport)

PSHE

Area of focus - Being Me in My World / Celebrating Difference, rewards and consequences, our dream school, our nightmare school, our class charter

ENGLISH

Reading

Whole School text; The Promise by Nicola Davies Pupils will be exploring this story as part of our work on 'Growing our future'.

Writing

Leon and the place between.

Pupils will work on describing characters and places in order to build a character profile. They will also challenge themselves with creative writing.

The tin forest

Year 3 students will learn how to respond to illustrations. They will be writing diary entries in role. Pupils will write an explanation text on how to build and look after a tin forest.

RE

What makes a building sacred?

They will also be exploring the concepts of worship, and its impact on believers, as well as understanding what is meant by something being holy and sacred

YEAR 3 Autumn Term 2021

Areas of focus – **Animals including Humans** looking specifically and movement and feeding

Light and Shadows. Investigations, reflections and shadow puppets.

ICT

Area of Focus – Online safety

Coding with 2Code, spreadsheets with 2Calculate and touch typing with 2type

HOW PARENTS CAN HELP: Ensure your child arrives to school on time every day as well as collected promptly at the end of the day. A book and a reading record will be issued to your child so they can read every day at home; ideally with an adult who can ask them questions as about what they have read. Please make sure reading records are used in conjunction with reading. Year 3 and 4 children should also be practising their 3,4- and 8-times tables on **Purple mash** every day. When it is issued, ensure **all homework** is completed to a high standard and handed in on time. There will be instances when we will be using our online platform (Seesaw) throughout the term as we adjust back to daily school life so please make sure work is completed.

IMPORTANT DATES

Parent's 'Forum

Friday 17th September

Showcase of work presented

Black History Month

Friday 1st October
