

2nd November 2020

Dear Parents and Carers,

The Department for Education has announced changes to Relationships and Sex Education (RSE) statutory guidance. These changes will come into effect from September 2020 and all schools will be required to comply with the updated requirements by at least the start of the summer term 2021. In light of these changes, we are reviewing our PSHE curriculum and policy, so we can be sure our provision is appropriate for our pupils based on:

- Age and maturity levels, as well as their cultural and religious backgrounds
- The values of our school community
- Every pupil's learning needs
- What pupils need to know to be healthy and safe in school, in their personal relationships and in the wider world
- What pupils need to know in order to be prepared for puberty and give them an understanding of, and the importance of, health and hygiene
- The importance of developing feelings of self-respect, confidence and empathy
- Creating a positive culture around issues of safe loving relationships

As a school, we have already agreed that we will only teach elements of Sex Education as outlined in the Primary Science curriculum. Our PSHE curriculum is about the emotional, social and cultural development of pupils and involves learning about positive relationships, healthy lifestyles, diversity and personal identity. It involves a combination of sharing information and exploring issues and values in a safe and secure environment. Our PSHE curriculum underpins our whole school ethos and in addition to this, is taught in discrete lessons. To help ensure our PSHE curriculum incorporates not only the statutory guidance, but also our school's needs, we are consulting parents.

Stage 1

Online consultation

Due to Covid-19, we are unable to offer any face to face consultations or workshops. We will be offering an online consultation meeting via zoom on **Thursday 3rd December 2020.**

For EYFS we will continue to follow the Development Matters guidance which incorporates Personal, Social and Emotional Development and People and Communities strand within Understanding the World.

Stage 2

Following the Stage 1 consultation, we will update our PSHE curriculum and policy taking in to account any feedback or suggestions. You will all receive a copy of our new draft curriculum and policy and it will be available on our website. It will then be ratified by Governors. We look forward to your contribution to this consultation.

Yours sincerely

Mrs Octave
Head of School
