Dear Parents/Carers,

With regret, I am writing to inform you that we will be closing the school to **parents** for the last two weeks of term. **Pupils should still come to school as normal.**

This is due to the large number of staff who are currently isolating following track and trace contact and the new Covid variant starting to spread.

I am sure you agree that my priority has to be keeping the school community safe and keeping the school open; therefore, by reducing adult contact in school we increase the likelihood of the school staying open and staff not having to isolate.

I do understand how disappointing this is. We will be recording the Christmas shows and performances and uploading them onto the school YouTube platform for you to watch. More information on this will follow next week.

In the meantime thank you for your support, I apologise for the disappointment over this issue and I hope we can work together to keep the school open and school community safe.

Miss Rachel Mollett
Executive Headteacher
