Dear Parents and Carers,

We believe that homework supports, extends and consolidates the learning covered in the classroom while supporting children to develop self-discipline, independence and the ability to take responsibility for their own learning.

Homework Guidelines for each key stage.

Reading

We believe that the most important homework activity is regular reading. Suggested reading times are:

- 10 minutes in Nursery and Reception;
- 20 minutes from Year 1 to Year 4;
- 30 minutes in Year 5 and Year 6.

Children's reading diaries are to be signed by parents/ carers daily, after hearing their child read.

CGP workbooks

Your child will be given their CGP workbooks every Friday and it must be returned the following Tuesday.

The activities page numbers to be completed will be published on your child's Seesaw account. The login details are included with this letter. If you have any difficulties accessing the homework details, kindly liaise with your child's class teacher.

Other homework activities will be published on the Seesaw platform.

These may be, but are not restricted to:

- Athletics activities
- Spelling activities
- Reading Bug activities

Remember: Homework is about reinforcing, practising and confidence building...

Enthusiasing your child about undertaking homework and modelling the high value of homework to them is of key importance.

Thank you for your continued support.

Kind regards,

Mrs Obinwanne
