Total Spent is £33,710.86 for the academic year 2022/23

This year our school will receive £21,752.00 for the academic year 2022/23

At Leopold Primary School, we are committed to sport and children's wellbeing. The PE and sports premium helps us to improve and develop programmes the school has already invested into. We used the PE and sports premium on equipment, facilities, coaching with staff training, as well as on development of our outdoor learning programme.

As a school we are passionate about encouraging our children to take part in as many sporting activities offered to them as possible. We believe this is fundamental to the advancement of both their social skills and sporting ability. To make this possible for all students, regardless of their parents' financial position, we are committed to providing opportunities not only during the school hours, but also before and after school.

Objectives:

- To improve the current provision of PE at Leopold Primary School
- To participate in competitions to a high level
- To broaden the physical activities available to the children
- To increase participation in sport and physical activity
- To develop healthy lifestyle
